

NOTICE TO RESIDENTS

NORTH & SOUTH SECOND STREET PAVING PROJECT

August 17, 2026

Dear Resident:

This letter is to inform you that a paving project will take place on North and South Second Street during the week of August 24, 2026.

Please remove your vehicle from the street by 6:00 AM each morning. We ask that you do not park on the street until all paving has been completed in your area.

The Town has arranged for residents to use the following parking areas during the paving project:

- Town Restaurant parking lot (Monday, Tuesday, and Wednesday only)
- Fire Department parking lot (on the bottom of the lot by Rt. 194)
- Town Hall parking lot (rear lot only)
- Please be advised that the Town and the designated parking area owners will not be held liable for any accidents, injuries, or damage to vehicles or other property that may occur while using these parking areas.

Thank you for your cooperation and patience as we work to improve our streets. We appreciate your assistance in helping the paving project proceed safely and efficiently.

Sincerely,

Mary E Rice
Town Clerk
Town of Woodsboro

Thank you for your cooperation.
